This was a remarkable year for publications by our faculty and students. During 2015-2016, the faculty and students of the Department of Psychology produced 55 publications including 2 books, 20 chapters, 26 journal articles, and 7 other forms of scholarly writing. Collectively, students were listed 29 times as co-authors on these publications. (Student authors and co-authors are indicated with an asterisk. These include recent graduates.) These works included:
