

APPLICATION FOR RESEARCH GRANT - JMU DEPARTMENT OF PSYCHOLOGY

The Department of Psychology is pleased to make grants available to Psychology Majors for research expenses. A limited pool of funding is available.

- Students may apply for up to \$500 for a psychology research project.
- These funds may be used to purchase equipment or supplies, or for other research-related expenses.
- **Students are only eligible to receive one grant for research funding per academic year.**
- **Grant winners must use current JMU accounting procedures to use this funding.**
- **Please discuss your expenses with Cathy Fisher before making any purchases.**
- Applications may be submitted at any time; they will be evaluated and decisions will be made shortly after they are submitted. This program will end when all available funds are expended.

Project title: _____

Have you (or other students working on this project) applied for other JMU Psychology Grants during the current academic year? Yes No

Have you applied for (or plan to apply for) other grants (e.g. CHBS, Psi Chi) to help fund this project?
 Yes No If yes, which grants have you submitted (or plan to)? _____

Funding to support a: PSYC 203/403 Honors Thesis Other: _____

Project Description: On an attached document describe your project in no more than 2 double-spaced pages. Your description should be written in such a way that a psychologist without a specialized background in your research area would be able to understand your methods and procedures and the importance of your study. Include the following sections:

- Introduction (Introduce the general topic, provide essential background information, and explain the project purpose.)
- Method (Describe the overall design of the study. Omit details, but provide enough information so that your procedures can be clearly understood.)
- Expected results, implications, and impact of the activity
- Itemized budget (Explain specifically how the money will be used. For equipment, list individual items and costs; explain how each item will be used in the project.)
