Application for PSYC 495 Field Placement

Procedures and Timeline

**APPLICATION DEADLINE:** Third Friday after the start of the semester by 12:00pm (noon).

**INTERVIEWS:** Interviews will take place following the application deadline. Interviews will take place either in person, via Zoom, or be recorded asynchronously by applicants. This will be dictated by the number of applicants given the quick turn around/decisions that Field Placement needs to make to successfully place students at community sites ahead of other programs. **Dr. Szwedo will be in touch after the application deadline with interview instructions.**

**DECISIONS:** Decisions are expected to be made within three weeks after the application deadline. Accepted applicants will be asked to complete a shorter Site Application within approximately two to three business days following notification of acceptance. Students who are not accepted for Field Placement may be asked to consider applying for an Introductory Field Work position with Dr. Szwedo (https://psyc.jmu.edu/undergraduate/introfieldwork.html).

**SITE INTERVIEWS:** Acceptance into Field Placement does not guarantee students a Placement Site. However, Dr. Szwedo will work with students throughout the semester to help them obtain a Placement Site until all opportunities are exhausted. Information from accepted Field Placement students (Resumé and Site Application) will be sent to sites of interest immediately upon Dr. Szwedo's receipt of the Site Application and revised Resumé (if revision is recommended). Site supervisors will then review students’ information and begin to offer interviews during the following weeks. The timing of site interviews is variable (i.e. some sites are quick to set up interviews while others may not know for several weeks if they can offer interviews).

**SITE PLACEMENTS:** Every effort is made for students to obtain a Placement Site prior to the start of Registration. This is not always possible given that this process requires coordination with community supervisors who are very busy with their work. It is therefore the goal that every Field Placement student will have a Site Placement prior to the end of the semester.

Application Instructions

1. Read the Field Placement Guidelines (Student Responsibilities) found on the psychology website: https://psyc.jmu.edu/undergraduate/fieldplacement/fp_documents/field_placement_guidelines.pdf

2. The following needs to be included/attached to an email to Dr. Szwedo (szwedode@jmu.edu).

   A. Current Resumé (Word Document)
      a. Consultation with Career and Academic Planning is highly recommended. The professionals in this office will help you improve the content and format of your resumé which will make you more competitive for Field Placement and also for Placement Sites.

   B. Recent photograph in which you look professional
      a. This can just be a headshot with your phone against a neutral background. Please: no pets, pictures in restaurants, or with a significant other that has been cropped out, etc.

   C. Written statement of at least two typed pages (Word Document requested) specifying:
      1. What are your career objectives?
      2. Why do you wish to enroll in Field Placement?
      3. Why would you be a good candidate for Field Placement?
      4. What other courses do you need to take during the semester you will be in Field Placement?
      5. When do you plan to graduate?
      6. What are your time commitments during the semester you will be in Field Placement? (e.g., work, sports, etc.)?
      7. Indicate your ***top three choices*** of Field Placement sites and provide a brief paragraph explaining each choice. Also list two additional back up choices and provide a sentence or two explaining your reasons for these choices. Please note that there are many options within Public School Placements and each school is considered a site choice.
      8. List two references with names, titles, addresses, email addresses, and phone numbers. Include at least one undergraduate psychology instructor. Indicate your relationship to the persons listed (e.g., employer, professor in two courses, etc.). This is a professionally designed process, so use references accordingly.

   D. Include in the body of the email all of the days/times you are available for a brief virtual interview during the two weeks after the application deadline.
